Submitting Your Art -- "About the Artist" & "About the Image" Info. Page 2

The information you furnish here will be included on the back of your note cards & on the giclée certificates of authenticity for your prints. Additional or separate pages, may be attached. By furnishing this information now, it will be included for checking along with your image proofs. If waving proofs, we can email these text setups to you for proof-reading (at no additional charge) if you provide an email address. When writing, shorter is better -- keep in mind that this information will have to fit comfortably on the back of a note card or a 5x7 certificate page.

LIST YOUR IMAGE TITLES BELOW. INCLUDE SIZE OF ORIGINAL, MEDIUM & FOUNDATION	PLEASE WRITE THE INFORMATION YOU WOULD LIKE THE CONSUMER TO KNOW ABOUT THE IMAGE. Suggestion: Write as though you were writing about someone else's art --in the 3rd person -- see examples below. The amateurish version would read: " <i>I love horses; I love to paint them.</i> " See improved version below:
"Heading Home" - 16x20 - Oil on Canvas	Jane D'Artiste, is first a lover of horses; her second love is painting them. Her favorite mount, Nellie, is shown here "heading for home." It was painted on her ranch in the foothills of the Blue Berry Mountains.

IN THE BLOCK BELOW, PLEASE PRINT WHAT YOU WOULD LIKE TO TELL YOUR CUSTOMER ABOUT YOURSELF -- AS AN ARTIST

Refer to the sample note card & print insert that was included in your initial information packet for an example of "about the artist" text.
